The Most Rev. John M. McNamara, vicar general and auxiliary bishop of the Archdiocese of Washington, was buried Thursday afternoon near the tomb of Mother Seton, whose cause for sainthood he had so long espoused, at St. Joseph College, Emmitsburg.

The interment service in the small chapel in the cemetery at St. Joseph followed a pontifical requiem Mass sung Thursday morning in St. Matthew's Cathedral, Washington, D. C., by the Most Rev. Patrick A. O'Boyle, archbishop of Washington.

The funeral cortege passed through the line of students and faculty of St. Joseph who stood as a guard of honor from the college entrance to the cemetery where lie Mother Seton, her children, and many nuns and priests who through the years have served the order.

**SERVED AS MODERATOR**  
The 82-year old prelate had served as moderator of the Conference of Mother Seton's Daughters, an organization of six religious communities with Mother Seton as their foundress.

Hundreds of representatives from the religious communities were present for the committal services, from youthful postulants to aged nuns, who had devoted a lifetime of service to their community.

Joining them were priests and seminarians from Mount Saint Mary's College, for the final service for the prelate who had been a priest for 52 years.

Bishop McNamara had been one of the principal advocates for the canonization of Mother Seton, who was declared venerable by Pope John XXIII last.

## "Mama Gone Get Toys"

TAMPA, Fla. (AP) — Welfare workers, hardened by daily contact with the lonely children of tragedy, sorrow and hardship, turn away with misty eyes when four-year-old Jo Ann says, "Mama gone get toys."

It is doubtful that anyone would tell Jo Ann and her pretty 18-month-old sister Dianne, otherwise, even if they could understand. The woman thought to be their mother left them in a bar two weeks ago and then disappeared.

Their last name is a mystery. No one knows their background.

But this doesn't concern Jo Ann and Dianne. They sense Christmas is coming and they know Mama has just gone out to get some toys.

In the meantime, they sit in their high chairs next to the window, waiting.

## Harvard Professor Named New Director Of Budget

WASHINGTON (AP) — President-elect John F. Kennedy today announced his selection of David E. Bell, professor of economics at Harvard, as his budget director.

Kennedy made the announcement from the doorway of his Georgetown home to shivering newsmen standing on the sidewalk in near freezing weather.

Bell, 41, secretary of Harvard Littauer Center for Public Administration, stood by the president-elect's side as Kennedy made the announcement.

The first job for Bell, who served as an administrative assistant in the administration of President Harry S. Truman, will be to serve as liaison officer for the incoming Kennedy administration in discussions with Eisenhower's budget director, Maurice E. Stans.

**IS KEY POST**  
After that he will have to start tailoring Eisenhower budget recommendations to the Kennedy pattern.

The post to which Kennedy appointed Bell is a key one in any administration.

The selection of Bell is the third top-level assignment made by Kennedy outside of his immediate White House staff.

He tabbed Gov. G. Mennen Williams of Michigan Thursday for assistant secretary of state for African affairs, and later named Connecticut's Gov. Abraham Ribicoff to be secretary of health, education and welfare.

Kennedy said Bell will start work next week, at the Budget Bureau "if this is agreeable to the President" (Eisenhower), but in any event will start his tasks at the beginning of the week.

The president-elect said Mike Feldman, a member of his Senate office staff, will serve as an assistant to Bell until the start of the Kennedy administration, then shift over to become a member of the White House staff.

Kennedy and Bell had never met until they conferred at length at the president-elect's home Wednesday evening. Bell had been highly recommended by Truman administration officials.

## Seven Perish When Fire Destroys Frame Residence

LA PLATA, Md. (AP) — "Throw out the children, then jump your self," called the trapped wife of a tenant farmer to her 21-year-old daughter.

The daughter—Rose Ella Powell—threw nine brothers and sisters from the second story of the frame house before searing flames swept through the entire structure. Seven members of the family, including Mr. and Mrs. Robert Dana Powell and five children, died in the fire.

The entire frame building had become "one big torch" by the time firemen arrived, and two fire companies stood by helplessly. Flames were so intense that the seventh body was not recovered until three hours after the alarm sounded this morning.

The burning house, which was in a tobacco-raising area of southern Maryland's Charles County, was spotted by several neighbors who called the alarm. Authorities believe the blaze may have started from an overheated wood-burning stove on the first floor.

Rose Ella and the nine surviving children she rescued received first aid for sprains and bruises. The Negro girl told firemen she had been awakened by her mother's call to save the children. Mrs. Powell and all the other victims but one were sleeping on the first floor.

Killed in the fire were Powell, 43, and his wife Viola, 45; their four children, James Henry, 12, Barbara Regina, 10, John Allen, 8, and Joseph, 3; and an 11-year-old cousin of the Powells, Phillip G. Yates.

## COUNTY GIRL SCOUT SETUP IS CHANGED

The Adams County Girl Scout Council today was presented with a news "hand out" which it was informed should be printed "as is," stating that the Adams County Girl Scout Council is to be lumped into a large "Council" comprising Lancaster, York, Hanover, Adams, Antietam, Chambersburg, Shippensburg and Susquehanna Councils of the Girl Scouts.

The proposition is one that has been fostered for some years by Region III of the Girl Scouts of America, according to local Scout officials, who said they were previously warned not to say anything about the proposals, pending the official announcement.

**CITE ADVANTAGES**  
The "interpretative material for use of councils in Lincoln Girl Scout development committee" is from the "interpretation subcommittee, Joseph Bendel, York, chairman."

The "release" is listed for use "after December 2" and appeared in York newspapers this morning along with a map showing the new council which is planned.

According to the official "interpretative material," the proposal will "improve the quality of program in troop and camp, provide more training for more volunteers, the program will be strengthened in all areas through the guidance and help of professional staff" and "one strong camping committee will make a plan for serving girls in all areas."

Judging by the release, plans are underway to charter the large council with Mrs. Arthur Thomas and Mrs. John Bergdoll Jr. of York as chairman and vice chairman of the "development committee."

## GOP VICTORY MEET MARRED BY DISCORD

A speech by Mrs. Elna N. Group, vice chairman of the Adams County Republican Committee, calling for expansion of the county GOP executive committee to include "representatives of all schools of thought" in the party organization struck a discordant note at a GOP "appreciation" meeting Thursday evening in the community hall at Cashtown.

As Mrs. Group finished her three-page prepared speech, backers of County Chairman H. Earl Pitzer jumped to their feet in quick succession to voice faith in his leadership and to urge party harmony.

The vice chairman had urged that "unless singleness of purpose on the part of party leaders in the county can be agreed upon, the minority objectors should retire as party leaders and leave the way open to those who can do a more positive job."

**OTHER SPEECHES**  
Early in her talk she charged an "all out effort by some members of the county GOP committee to defeat one of our own candidates, nominated by a majority of Adams County Republicans at the April primary." She added that "loyal Republicans are well aware of the deflection of these committee members."

The speeches in Pitzer's favor led to what party leaders described as "an enthusiastic standing ovation" for the county chairman. Mrs. Group left the meeting hall soon after delivering her speech.

The "appreciation" rally of GOP committee members, office holders and other campaign workers had been called to celebrate the victory of all local GOP candidates and to give candidates an opportunity to thank party workers.

With County Chairman Pitzer presiding, there were speeches by Congressman-elect George A. Goodling and State Senator-elect D. Elmer Hawbaker. York County Chairman Ted Freed spoke as did GOP State Committeeman Fred G. Pfeffer of Gettysburg.

**CITES "FINE RECORD"**  
Mr. Hawbaker told the GOP members not to fear redistricting of the state following the 1960 census. He pointed out that Democratic Philadelphia will lose seats while Republican Delaware and Montgomery Counties stand to gain.

Mr. Pfeffer called attention to the "fine record" turned in election day by south central Pennsylvania.

## COUNTY-WIDE C-D EXERCISE WILL BE HELD

Preliminary plans for a county-wide Civil Defense "command post exercise" to be held next Wednesday evening at 7:30 o'clock were outlined Thursday evening at a meeting of the Adams County Fire Chiefs' Association at East Berlin.

The annual test, being conducted throughout the state and nation as well, will not provide for public participation. There will be no stopping of traffic or giving of audible signals, Linn said he had been informed.

**TO SOLVE PROBLEMS**  
Civil Defense officials from throughout the county will gather at the engine house here along with the fire chiefs and others. They will be presented with a problem simulating an event that could occur in the county as a result of actual attack or other emergency. Then they will work out on paper how the county would move to meet the problem.

Other business before the chiefs Thursday evening included nomination of officers for the coming year. Frank Klunk, Midway, serving as vice president of the association, was nominated without opposition for the presidency. The election will be held January 5 at a meeting of the chiefs at Emmitsburg.

BULLETINS

She raced up the stairs but was driven back by flames and dense smoke. Mrs. Barger fell and broke her ankle in the futile rescue attempt.

**NEW ORLEANS (AP)**—Ten white students returned to classes at integrated William Frantz school today, sharply undermining the boycott backed by mothers of the area.

A small foreign car with two girls drove up in the sunny, but near-freezing weather, catching reduced picket lines by surprise, apparently.

No one jeered until the two little girls mounted the school steps. Then the same make car sped up with five children, and the Rev. Lloyd Foreman arrived by car with his daughter, Pamela Lynn, and two boys.

The one Negro first-grade girl brought total attendance at William Frantz to at least 11.

WOMAN DIES IN  
FIRE; BOARDER  
TAKES HIS LIFE

**LANCASTER, Pa. (AP)**—A new bit of information was disclosed Thursday night in the puzzling case of a woman who burned to death shortly before her boarder committed suicide.

A telephone line to the home of the woman's daughter was cut just before the fire, police said.

The daughter, Mrs. Lincoln Artz, lived near her mother, Mrs. Minnie Newkirk. But their homes were some distance from the nearest neighbor in rural Strasburg.

Mrs. Artz saw her mother's home burning Thursday and picked up the telephone to call for help. It was dead. She had to go two and one half miles for aid. The 58-year-old mother's body was found in the bedroom of her home.

An autopsy was scheduled today.

BOARDER ENDS LIFE

The cause of the fire was not known. Less than two hours after the blaze, the body of Wilbur L. Shaw, 55, an unemployed carpenter, was found in a tavern washroom by patrons who heard a pistol go off. He was shot in the head.

The coroner's office said it was suicide. Shaw boarded at Mrs. Newkirk's and rented a room in Lancaster. His landlady told police that Shaw telephoned her shortly before his death and said, "You will read a big stink about me in the newspapers."

### "IT'S NOT A DREAM"

This love of ours is not a dream... though it may seem that way... it's just as real as truth itself... a beautiful bouquet... though it propels us to the moon... and keeps our spirits high... time has often proven... it's not too proud to cry... our love can change the winter... into blushing June... and yet there have been times when it... has roamed a blue lagoon... dreamy, oh yes, but not a dream... our love goes beyond this... dreams disappear when we awake... our love is endless bliss... so it will be throughout the years... everything that's wonderful... more than just a dream.

### Rocky Confers With Veep Richard Nixon

WASHINGTON (AP)—New York's Gov. Nelson A. Rockefeller meets today with Vice President Richard M. Nixon, whose Republican leadership role he has questioned.

Rockefeller said he intends to cooperate with Nixon in every way to strengthen the Republican party. But he added he considers Nixon the party's leader in name only.

He said the party needs a collective leadership, and the help of Republican leaders in all the states.

Nixon's campaign manager, Robert Finch, said at Los Angeles that Nixon will join a Los Angeles law firm after he leaves office Jan. 20. He said Nixon will disclose the name of the law firm after the holidays.

### PLAN FEBRUARY DINNER

Various phases of fire protection were discussed. Cpl. James J. Regan of the fire protection bureau of the Pennsylvania State Police reported on the work of his department in investigating arson and urged the fire chiefs to "call upon our services at any time you have a suspicion that a fire may have been set."

County Fire Marshal John Murren reported on progress of plans to draw a model fire ordinance for submission to the county's political subdivisions. Murren said standard fire ordinances have been secured from national organizations and are being studied "in the light of Adams County's conditions." When the county chiefs secure an ordinance which they think will suit the county, they plan to take it to the 21 townships and 11 boroughs and ask its adoption so that there may be standard regulations pertaining to fires.

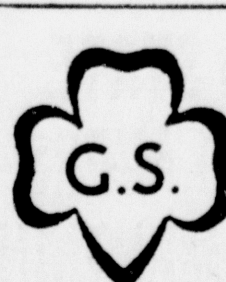

Awards were presented by the chiefs' association to three men: Edward Wolf, Hanover; James E. Krumrine, Hanover, and George R. Oberlander, East Berlin. Plans were outlined for the annual ladies' night dinner and installation of officers to be held February 9 at a site to be selected by a committee headed by Claude Murren, Brunshtown.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

FIFTEEN YEARS AGO

Veteran of 57 months of service, First Sgt. Frank E. Basehoar, son of Howard C. Basehoar, South Queen street, Littlestown received his honorable discharge from the army at the Indiantown Gap separation center.

Sergeant Basehoar fought in three major campaigns in the Pacific. He saw action in New Guinea, Leyte, Luzon and ended his overseas sea ice in Ofaru, Japan.

Fresh Girls Give Musicals In SCA Sunday: Sunday afternoon the freshman girls of Gettysburg college initiated a new tradition on campus. Under the direction of Esther Gray, the Freshman Musicals was presented for members of the faculty and their families.

Over 100 guests attended the program which was presented in the lobby of Weidensall hall from 3:15 to 4:30 p.m. Christmas decorations, furnished by the SCA, were put up early especially for the musicale.

Hunters Bring Venison Home: Many county deer hunters reported initial success on Saturday, the first day of the antlered game season, as they hunted in this county or elsewhere in the state. There were no reports of hunting mishaps in this county.

Judge W. C. Sheely, hunting in Fulton county with a party of hunters from Adams and Fulton counties, bagged an eight-point buck weighing 150 pounds Saturday morning at 9:45 o'clock on Mary's mountain, near Orttanna.

County Tops Individuals' Bond Quota: Adams county went "over the top" in its Victory Loan quota to individuals by \$9,350.25. The War Finance committee headquarters announced this morning. Total sales of all types of bonds to individuals, including E Bonds, processed through the close of business on Saturday and reported to county headquarters amounted to \$899,350.25. The quota was \$899,000.

Adams is the first county in the 15-county area in this section of the state to oversubscribe its quota to individuals. It is the eighth consecutive bond drive in which the county went "over the top," having successfully attained its quota or more in every bond drive since the start of the war.

John P. Butt is Hurt In Crash Sunday Night: John P. Butt, Esq., Hotel Gettysburg annex, escaped with apparently minor injuries when his car struck a truck tractor and trailer while the big vehicle was in the act of turning on the Gettysburg-Hanover highway at the avenue leading to the Cavalry field. The accident occurred about 11 p.m. Sunday while Mr. Butt was returning from McSherrystown.

## Today's Talk

THE THINGS WE AIM AT  
If we go into our days aimlessly, we end them intermixed with confused notes.

And that is the way with the aimless life. It can never quite find itself, to say nothing of placing correctly the elements which enter it daily ready for sound service.

We were all meant to be used and to make the most use of everything of which we are capable. It doesn't matter nearly so much that we fail in what we aim for, as it does that we do not aim at all. Everyone within the influence of the one who strives is in turn inspired. We mount as we others mount. Example is powerful.

The very things we aim at—the very moment we aim at them—become a connected part of our aim. And so it is that we approach our goal satisfying ourselves all along the way.

If we aim to be happy, if we aim to be helpful, if we aim to do just a little better each day, we can be well assured in advance that we are going to be of considerable use anyway, in some way or other.

It's like going into a thick woods, knowing that if we travel in the right direction we are going to come out on the other side of our objective point. And we are not going to get panicky when much about us presents confusion and quite a little of fear.

The things we aim at are the things we are going to get in some measure or other.

We are never greater than the things we do.

Yet I am very sure that we take upon us many of the elements of greatness as we tread the way to things we so much desire.

Why not always aim, then?

Tomorrow Mr. Adams will talk on the subject: "Brains Protected, 1960, by The George Matthews Adams Service"

## Just Folks

THE BRIGHT SIDE  
Of course the world has sorrow,  
At times the gloom is dense  
And eyes are red with weeping,  
But aren't its joys immense?Of course the world has trouble  
And failures and defeat  
And broken hopes most bitter,  
But aren't its prizes sweet?The world has mountains rugged,  
With dangers unforeseen  
For all the weary climbers,  
But aren't its valleys green?The world has rue for grieving,  
And lilies for the dead,  
And drooping, weeping willows,  
But aren't its roses red?

Scouts working for the swimming and life saving badges will be interested in a course to be given after the new year in York and the Scoutmaster has additional information; boys working for the first class requirements will meet with assistant Scoutmaster Arthur Shanbrook on Saturday at 1 p.m. at the Scout room. A rope demonstration was given by Thomas Glingrow, Ronald Ruggles and Scoutmaster Wolfe. The troop will meet again next Wednesday at 7:30 p.m.

## PROBLEMS ARE NOT SOLVED IN MAJOR LOOPS

By JOE REICHLER  
Associated Press Sports Writer  
ST. LOUIS (AP)—Major league baseball's battle-weary brass, after a no-decision session in Louisville, arrived today hoping to establish harmony out of the chaos caused by their constantly changing expansion plan.

The trustees of the game, mindful of the public's growing suspicion and distrust, were determined to put an end to their feuding and agree on sound expansion programs for both major leagues.

President Joe Cronin of the American and Warren Giles of the National League are prepared to introduce at the three-day sessions starting Monday several amendments designed to clear the way for AL expansion to 10 teams next year and the NL to 10 teams in 1962.

## MODIFY RULE 1

The amendments are aimed at modifying Rule 1 which stands in the way of the AL moving into Los Angeles, and the NL returning to New York. Rule 1 reads that unanimous approval of all major league clubs is required when a league wishes to open shop in a city occupied by another league.

Walter O'Malley, head of the Los Angeles Dodgers, thus blocked the AL's invasion of his territory. Commissioner Ford Frick, in whose offices the amendments were drafted after nine hours of conferences, hopes at least one will be acceptable to both leagues.

Nature of the amendments is known only to Frick, the two league presidents and their attorneys.

## NL DOESN'T LIKE IT

The National League looks with disfavor upon the AL proposal for two nine-team leagues in 1961 following an interlocking schedule. The NL is expected to reject this plan Monday.

Also, if the AL decides to operate 10 clubs next year, the last city will be Los Angeles, not Houston or Toronto. A week-long rumor that the AL was secretly planning to move into Houston, where the NL has placed a franchise for 1962, was scotched Thursday by Frank Lane.

The general manager of the Cleveland Indians said he talked with virtually every AL club owner and not one expressed an interest in going to Houston.

Also to be tackled here is the indemnity battle between the American Association and the old Washington club over the Senators' invasion of the Minneapolis-St. Paul territories.

The AA demanded \$1,600,000 damages Thursday and rejected Calvin Griffith's latest offer of \$500,000.

The minor leagues concluded their four-day convention in Louisville Thursday.

They set up machinery committing new teams in the majors to have working agreements with minor league clubs, created a deadline for settling territorial disputes, extended the first-year draft rule and put a compromise college player rule in the books.

## Civilians Fire On Rioting Students

CARACAS, Venezuela (AP)—Leftist students still manned machine guns in their so-called "Stalingrad" at Caracas University today but the government claimed it had the rebellion in hand.

Covered by fire from their fortress dormitory, a band of students sallied forth Thursday night on a bus-burning raid in nearby Plaza Venezuela and for the first time ran into gunfire from armed civilians supporting the government.

There were no reports of casualties from the 20-minute battle.

One person was killed and another wounded by snipers Thursday, however, bringing the death toll in seven days of rioting and disorder to nine.

NEW YORK (AP)—Unable to line up suitable teams for Dec. 10 Gotham Bowl, Director Bob Ready Thursday canceled the planned football game.

Small-fry cooks: they'll enjoy cutting rounds out of a sheet of sponge cake, using cookie cutters. Then the rounds may be frosted and decorated. The raggle-taggle ends of cake may be used instead of bread in a pudding, but the regular amount of sugar will probably have to be decreased.

## EAGLES LOOK FOR CROWN AT ST. LOUIS

ST. LOUIS (AP)—The Philadelphia Eagles hope to move into the Eastern Conference football throne room Sunday — just as they did 11 years ago — with a "Van" carrying much of the load.

Steven Van Buren, one of the greatest ball carriers in National Football League history, spurred the Eagles to the conference and league championships back in 1949.

This season the Eagles' fortunes ride on the accurate throwing arm of Norm Van Brocklin, the resourceful Dutchman.

In between the two "Vans," with a few exceptions in the middle '50s, Eagle fans had little to cheer about. Philadelphia started to make headway with the advent of Van Brocklin, just as it had in the 40s with the arrival of Van Buren as a full-fledged star.

The Eagles, under Greasy Neale, posted a 12-1 record in 1949. They beat the Rams 14-0 at Los Angeles for the world championship as Van Buren piled up 196 yards in mud and rain.

This season, with Buck Shaw in command, the Eagles own an 8-1 record. A victory over the St. Louis Cardinals here Sunday means the Eastern title and a shot at the world championship.

## Eagles Hold Secret Two-Hour Practice

PHILADELPHIA (AP)—The Philadelphia Eagles held a closed two-hour practice session Thursday, drilling on some new running plays in efforts to bolster their ground attack.

The Eagles, who need only a victory at St. Louis Sunday to clinch their first National Football League divisional title since 1949, also worked some on defending the Cardinals' double-wing attack. Philadelphia, led by Quarterback Norm Van Brocklin, has completed 55.5 per cent of its passes while the Cardinals have completed only 45.7 per cent.

But the Cardinals have the edge in running. They have averaged 200 yards per game in 10 games compared to the Eagles' 110 in nine. The Cardinals' gain per rush is 4.9 yards, the Eagles 3.5.

## AP All-America Is Built Around Joe Bellino, Huge Line; Pitt's Ditka Named Favorites IN COLLEGE BALL WIN EASILY

By TED SMITS  
Associated Press Sports Writer  
NEW YORK (AP)—A mammoth line and a backfield built around Navy's Joe Bellino, the Heisman Award winner, highlight the 1960 All-America announced today by The Associated Press.

With Bellino in the backfield are Jake Gibbs, Mississippi; Pervis Atkins, New Mexico State; and Bob Ferguson, Ohio State.

The line is composed of Dan La Rose, Missouri, 221 pounds, and Mike Ditka, Pitt, 218, ends; Ken Rice, Auburn, 250, and Bob Lilly, Texas Christian, 248, tackles; Tom Brown, Minnesota, 224, and Ben Balme, Yale, 215, guards; and Roy McKasson, Washington, 205, center.

### BELLINO A STANDOUT

The team was selected on the graded recommendations of eight regional boards of sports writers and newsmen who also voted on the top ten throughout the season. All games through Nov. 26 were taken into account.

Bellino was a standout in a season in which, generally, attention centered on the line rather than the backfield. He scored 110 points for Navy's Orange Bowl-bound team, including 18 touchdowns, and gained 834 yards rushing, 280 yards catching 17 passes, and threw five passes for 112 yards. The 5-9, 181-pound halfback wound up his academy career in a blaze of glory by intercepting a pass on the goal line in the closing moments of the Army-Navy game, saving Navy's 17-12 lead.

Atkins, 25, a wingback, carried the ball 65 times for 611 yards in New Mexico State's unbeaten season. He caught 24 passes for 468 yards. He stands 6-1 and weighs 190 and was drafted before his senior year by the Los Angeles Rams.

### ONLY ONE JUNIOR

Ferguson, the only junior on the team, is a 217-pounder who was moved from halfback to fullback and crashed through for Ohio State with 13 touchdowns and 853 yards rushing.

Gibbs, who weighs 185, completed 66 of 109 passes for 970 yards and 12 touchdowns, and wound up the regular season by connecting on 13 of 15 passes against Mississippi State. He also was rated the most dangerous runner on an unbeaten but once tied team, and is a good punter as well.

Not far behind the first team backfield comes a second team combination of Francis Tarkenton, Georgia; Bill Kilmer, UCLA; Ron Bull, Baylor, and Ernie Davis, Syracuse.

### MOST FEARED LINEMAN

End Ditka, who caught 11 passes for 229 yards and two touchdowns, was most feared for his hard tackling and blocking. Buddy Parker of the Pittsburgh Steelers, called him "the best college player in the country." La Rose, at the other end, caught 10 passes for 151 yards and two touchdowns, and recovered six fumbles.

Lilly, the big TCU tackle, was termed by Coach Abe Martin "the greatest lineman I ever coached." He hit his peak against Texas, making 17 tackles, recovering two fumbles, blocking a punt, and causing a pass interception. Rice, the other giant tackle, like Lilly, was a bear on recovering fumbles. Coach Ralph Jordan called him a "noiseless football player—you don't realize how much he is accomplishing."

### KEY TO SEASON

Balme, the first Yale All-America in a quarter century, was the key to the Elis' perfect season. Big and bruising, he was mechan-

ically perfect on every play. He paired at guard with Tom Brown of Minnesota, possibly the best lineman in the nation. In the climactic game in which Minnesota beat Iowa, Brown blocked on plays that accounted for more than half Minnesota's gains, as well as effectively smearing Iowa's attack.

McKasson, at center, called defensive signals for Washington and in the words of Coach Jim Owens was "a real gentleman... a real leader. He was a tremendous stabilizing influence on the youngsters."

The second team line is made up of ends Marlin McKeever of Southern California and Elbert Kimbrough of Northwestern; tackles Jerry Beabout of Purdue and Merlin Olsen of Utah State; guards Mark Manders of Iowa and Joe Romig of Colorado, and center E. J. Holub of Texas Tech.

The third team: Ends—Hugh Campbell, Washington State, Bill Miller, Miami (Fla.); tackles—Earl Faison, Indiana, Dwight Bumgarner, Duke; guards—Monte Lee, Texas, Al Vanderbush, Army; center—Wayne Harris, Arkansas; backs—John Hadel, Kansas; Roman Gabriel, North Carolina State; Tom Mason, Tulane; Ed Dyer, Auburn.

## EXCITEMENT PREVAILS FOR TITLE MATCH

By BOB MYERS  
Associated Press Sports Writer  
LOS ANGELES (AP)—Pre-fight speculation and excitement prevailed today except among the principals—Gene Fullmer, NBA world middleweight champion, and ex-champion Sugar Ray Robinson.

They clash for the third time Saturday night for 15 rounds or less, with a national television audience watching via the ABC network. Fight time is 7 p.m., PST at the Sports Arena.

Fullmer, the serious, 29-year-old from West Jordan, Utah, remains a 3-1 betting favorite over the Harlem dancing dandy, 39-year-old Sugar Ray.

### RECOGNIZED CHAMP

Fullmer is recognized throughout most of the world as king of the 160-pounders, and Robinson will be making an unprecedented bid to win the crown for the sixth time in his amazing career.

Paul Pender of Boston is recognized as the champion in two NBA states, New York and Massachusetts.

George Gainsford, Robinson's manager, said his man was in good spirits and, more important, in top condition. In his last public workout at his Gilman Hotel Springs training camp, the Sugarman seemed a bit edgy. But later he relaxed and talked amiably about the fight.

### ATTENDED LUNCHEON

Fullmer, who has made every sort of public appearance for publicity's sake, was hardly tied with tension. He attended a local Rotary luncheon Thursday.

Fullmer whipped Robinson for the title in 15 rounds in New York Jan. 2, 1957. Robinson won it back on a fifth-round knockout May 1, 1957, in Chicago.

Associated Press Sports Writer

The college basketball season opened with an astonishing upset Thursday night. Utah, regarded as one of the top teams in the country, took it on the chin from Los Angeles Loyola 85-64 after blowing an early 25-12 lead.

Ohio State, the NCAA champion, and Bradley, the National Invitational Tourney winner, got off on the right foot, however, as did Cincinnati and Kentucky.

Heavily favored Bradley, which beat Providence in the NIT final in New York last March, went right down to the wire before knocking off Minnesota 62-58.

### LUCAS HAS 29

All America Jerry Lucas pumped in 29 points to lead Ohio State to an 85-64 victory over Ohio University. Ohio State won the NCAA tournament over California last March.

Cincinnati, minus the graduated All America Oscar Robertson, smothered Indiana State 90-51 as the new Bearcats' coach, Ed Jucker, got his club away to a fast start.

Lucas dropped in five baskets as Ohio State took a quick lead against Ohio University, and at halftime it was all over as the Buckeyes held a 40-26 advantage.

### BLEW BIG LEAD

but managed to pull it off in the final 65 seconds. Mack Herndon sank a 20-foot jump shot to put Bradley ahead 60-58. Herndon and 6-6 Chuck Walker then converted two free throws to make it certain.

Ed Berto led Loyola to its upset over Utah and 6-9 Billy (The Hill) McGill. Berto was top scorer with 30 points. McGill got 26 for the Utes.

St. Bonaventure, showing all of its power of last season, bumped off John Carroll 109-45. Miami of Florida trampled Rollins 80-62 and Auburn, one of the top teams in the Southeastern Conference, poured it on Livingston State 90-50.

### STATE WINNERS

Among the Pennsylvania teams which won as expected were St. Joseph's of Philadelphia, LaSalle, Temple, Villanova and Duquesne. Sophomore Jim Lynam, scoring 16 of his 18 points in the second half, broke open a close contest to lead St. Joseph's to an 84-69 victory over St. Peter's of Jersey City.

LaSalle won easily over Millersville.

LaSalle won easily over Millersville, 82-48, as all five starters for the winners hit double figures in the scoring column. Bob McAttee led LaSalle with 25 points while Ken Keener and Ken Havestick each collected 11 points for the losers.

### PENN STATE LOSES

Earl Proctor collected 14 points for Temple in an easy 66-49 triumph over Susquehanna. But the high scorer of the game was sophomore Clark Mosier of Susquehanna with 16.

Villanova s w a m p e d Scranton 106-72 as Hubey White dumped in 28 points for the Wildcats. Tom Foley was high for Scranton with 19 points.

Clyde Arnold's 27 points sparked Duquesne to an 88-51 victory over outclassed St. Vincent.

Penn State lost to Maryland, 64-47, as the Terps held the Nittany Lions' star, Mark DuMars, to eight points. Jack Trueblood led the Penn State scoring with 11 points.

### WILT AND ELGIN LEAD CLUB WINS

By GEORGE ESPER

Associated Press Sports Writer

PHILADELPHIA (AP)—Wilt Chamberlain and Elgin Baylor, the top two scorers in the National Basketball Association, are headed for their best seasons yet if they continue their current pace.

Chamberlain took over the scoring lead Thursday night from Baylor by collecting 41 points in helping the Philadelphia Warriors to a 117-114 victory over Los Angeles. Baylor, back in action after missing a game because of an illness, dumped in 28 points for the Lakers.

The 7-2 Chamberlains 41 points ran his seasons total to 798 in 21 games for a 38-point average. His average thus far is higher than last year's final tabulation, 37.6, when he racked up an NBA-record 2,707 points in 72 games in his rookie year.

### BOSTON STREAK STOPPED

Baylor has 786 points in 22 games for a 35.7 average. This is far better than his 29.6 of last year when he scored 2,074 points in 70 games and 24.9 of his rookie season in 1958-59 when he collected 1,742 in 70 games.

By winning Thursday night, the second-place Warriors gained a full game on Eastern Division leader Boston, which had its nine-game winning streak snapped by New York, 116-111.

In the only other action, Dolph Schayes scored 35 points to lead Syracuse to a 137-126 victory over Cincinnati despite a 41-point performance by the Royals' Oscar Robertson.

According to Dr. Fred Tilberg, president of the Gettysburg League, who presided at the meeting, a county organization will be set up at a meeting next March.

At the meeting of the Gettysburg League, it was reported the new dugouts at the Recreation Park field will be completed in the near future. Cement floors will be laid next spring. Preliminary survey will be made soon for the new bleachers which will be constructed early next spring.

The league received approval from the recreation board to move the old wooden bleachers at the field to the third field at park just off Breckenridge St.

The next meeting of the local league officials has been set for Thursday, February 2.

### TO INSPECT ACADEMY

ANNAPOLIS, Md. (AP)—The president of Pennsylvania State University will help inspect the U. S. Naval Academy beginning Monday.

Dr. Eric A. Walker will be on a 15-man board of visitors which will conduct a five-day inspection and report to President Eisenhower.

## Bullets Nip Bisons 72-66 On Late Rally; Meet Rider On Hannah Penn Floor, York

Gettysburg College's basketball team overcame a 15 point deficit with less than 11 minutes remaining in the game to edge Bucknell 72-66 Thursday evening on the loser's court. The contest marked the opening of the 1960-61 campaign for both schools and the initial contest in Middle Atlantic Conference University Division competition.

The Bullets, who fell behind from the opening tap off, were trailing 47-32 with 10:38 minutes remaining in the encounter. George Burnett and Bill Hemming each landed a pair of quick goals to cut the lead to 47-40. At the 9:23 mark, Gettysburg cut Bucknell's advantage to 50-46 on jump shots by Bob Parker and Bruce Simpson.

Warner, who had an off night from the field, but capitalized from the foul line, put Gettysburg ahead for the first time with two free tosses at 3:36. Twenty seconds later, Steiner connected on a jump to make it 66-65 in favor of Bucknell.

Gettysburg finally moved ahead for keeps at 2:05 when Parker landed a jump. Warner went in for a lay-up, Sophomore Ted Koerner added a free toss and Hemming sank two fouls to end the scoring. The Bullets incorporated a press and freeze move effectively during the last two minutes of play.

The Bullets looked as if they had the first night jitters as it took them 10:38 minutes to score a goal in the ball game. The first six points came on fouls before Simpson and Hemming were able to land goals. During the remainder of the first half it was Bob Parker who carried the scoring load as he tallied four two-pointers and a foul shot. Veteran Dick Kniffin and 6'4" center, Joe Steiner, were the major reasons for Bucknell's complete control in the first half.

The Bisons led 30-19 at intermission.

Bucknell came out in the second half and showed little mercy as it continued its blistering pace. Before the Bullets could find their mark, the Bisons had built a 15-point lead.

## EISENHOWER IS BACK OF NIXON AS GOP LEADER

WASHINGTON (AP)—President Eisenhower has given his wholehearted blessing to Vice President Richard M. Nixon as leader of the Republican party for the next four years.

The White House said Thursday the President, in a toast at a dinner given by the Eisenhower family on Wednesday night, remarked that the vice president would be recognized as head of the Republican party for the next four years and that he would have Eisenhower's support and the support of all those present.

The Eisenhowers entertained about 90 guests, including Cabinet members, former Cabinet members, and friends from throughout the country Wednesday evening.

### SERIES OF DINNERS

It was the first of a series of dinners the Eisenhowers plan to give before they leave the White House Jan. 20.

The second dinner was given Thursday with about the same number of guests.

Nixon and his wife again were the ranking guests.

Anne Wheaton, assistant White House press secretary, said the Nixons were the only "repeaters." She said they were asked back "because the President and Mrs. Eisenhower want them."

Among Thursday's guests were Nixon's running mate in the recent presidential election, Henry Cabot Lodge and Mrs. Lodge and Gov. and Mrs. Nelson A. Rockefeller of New York.

At the end of the dinner Wednesday night, Eisenhower turned to the vice president and said that Nixon would be the head of the GOP and would have his support and the support of the others present during the next four years.

## CONGO BREAKS WITH U.A.R.

### LEOPOLDVILLE, the Congo

(AP)—President Joseph Kasavubu has broken off diplomatic relations with the United Arab Republic and ordered Ambassador Murad Ghalib and all his staff to leave the Congo immediately.

In a letter to U.A.R. President Abdel Gamal Nasser, Kasavubu said Ghalib had plotted to overthrow the "established authority" in the Congo and sought to encourage "rebel elements"—meaning ex-Premier Patrice Lumumba.

Ghalib said he had not received the formal notification declaring him and his staff persona non grata but he said he would not oppose any order from Kasavubu to quit the Congo.

at the Carroll County Agricultural Center. Betty Wolfe will present the club's donation at the dance.

Pleasant Valley Boys' 4-H Club has extended an invitation to attend its Christmas Party on December 16 from 8-11 p.m. at Baust Church. After the meeting adjourned, a demonstration was presented on making a cover for on a dresser table by Sonia Hottinger and Faye Martin. Mrs. Stonesifer, local leader, presented a lesson on the topic of choosing pictures that are right for bedrooms.

Refreshments were served by Sonia Hottinger and Faye Martin. Milford Lackey, Rosewood, addressed the Taneytown Ki-Wives Club at its meeting Monday evening in the Taney Inn. He told the group about the Rosewood Home and of the routine management of the patients and operations.

It was announced that a Christmas party will be held December 21 at the Taney Inn. President Daisy Pearl Reifsnider was in charge of the 18 members and four guests present.

Esther Harner invited the members and husbands to her home December 9 to pick out nuts as a club project.

## JACKSON WILL QUIT TOP POST

### WASHINGTON (AP) — Sen. Henry M. Jackson, D-Wash., announced that he will resign as Democratic national chairman, effective Jan. 20 — inauguration day—or the next day.

Jackson made the announcement after a 20 minute conference with President-elect John F. Kennedy in the Senate Office Building.

He recalled that, in accepting the chairmanship at the Democratic National Convention in Los Angeles, he had said he planned to serve only until shortly after the election.

Kennedy told reporters "we couldn't possibly have won" without the kind of help Jackson had given in coordinating campaign efforts.

The president-elect said he recognized that Jackson had stated he had obligations to his state and to Senate business that would keep him from retaining the job much beyond inauguration day.

Kennedy said he expects to continue to receive advice from Jackson on personal and national security organization.

#### TO CHECK LICENSES

HARRISBURG (AP) — Temporary business will be checked for sales tax licenses during the Christmas season, the Revenue Department warned Wednesday.

The department advised clubs and organizations or individuals engaged in seasonal business such as selling Christmas trees that they must have a temporary license.

The incident would flare into a battle such as the one that raged around the Ghanaian Embassy residence last week when Ghana Charge d'Affaires Nathaniel Welbeck refused to comply with an expulsion order.

Col. Joseph Mobutu, the Congolese strongman, threw Welbeck out of the country after Congolese troops battled with U.N. forces protecting the envoy.

## PLAN RAILROAD FROM OCEAN TO MISSOURI R.

### NEW YORK (AP) — A single railroad which would stretch from the Atlantic Ocean to the wide Missouri is outlined in detail Wednesday.

The road would result from merging the Norfolk & Western Railway, the Nickel Plate Road and the Wabash Railroad.

Previously, a Nickel Plate and N&W merger was under discussion. Bringing the Wabash into it, a new development, meant the proposed road would run further West than any other Atlantic rail.

It would link the corn fields of central Iowa with the coal ports along the Virginia Coast.

The proposed road was described by Stuart Saunders, president of the Norfolk & Western. Heads of the other lines concurred in the announcement.

Other involved is the Sandusky Line of the Pennsylvania Railroad, running 111 miles between Columbus and Sandusky, Ohio. This would be purchased by the N&W for \$27 million cash to provide a link with the Nickel Plate.

The new road would have 7,400 miles of road and combined assets of about \$1.7 billion. This would leave it short of the Pennsylvania, with consolidated assets of \$2.9 billion and the New York Central, with consolidated assets of \$2.5 billion.

Saunders said preparations are being made for formal presentation "at the earliest possible date" of the plans to stockholders and the Interstate Commerce Commission for approval.

Your small fry will think a plain cake covered with vanilla frosting is extra special if you tint the icing a pale pink, then stand animal crackers around the top for a "circus dessert."

## Christmas Is Really Meant For Everyone

**CHRISTMAS IS FOR EVERYONE**  
By REV. N. L. MARDEN  
Pastor, Methodist Church  
Bendersville

And the angel said unto them, "Fear not; for behold, I bring you good tidings of great joy, which shall be unto all people."  
— Luke 2:10.

Somewhere, sometime during these days leading up to Christmas we will hear someone say, "Christmas is for the children." And this is true. The wonder and the beauty and the joy of Christmas strike a responsive chord in the heart of every child. They are caught by its mystery, its happiness, and its love. But the person who says, "Christmas is for children," meaning that it has no relevance in the life of the adult has missed completely its message and its meaning. Christmas is for everyone.

WGCT (1450 kc)  
Tuesday 9:00 A.M.

The first two words of the message of the angel should bring that home to us with startling clarity. The angel said, "Fear not." Is there any message more universal than that? We live in a world which walks along the edge of the precipice of disaster with a load of fears that almost shoves it over the brink. We are afraid of what an atomic war might do.

"MIGHT LOSE JOBS"

We are afraid we might lose our jobs. We are afraid of what our

children may or may not do. We are afraid of a million things in a billion nameless ways. We walk in a world where the color of hope has been bleached out and watered down by the ever present specter of an unreasoning fear.

Then to us in the midst of the grayness of near-despair comes this ray of heavenly light, "Fear not." The words seem almost unreal. Yet they are the solid rock of an undying hope in the midst of the quicksand of fear. They remind us that God is still at work in the world. They remind us that

other people in other times have come through situations that to them were every bit as grave, every bit as much fraught with danger and the possibility of disaster, as the days in which we live. The words, "Fear not," are a challenge to look up, to dare to do, to dare to dream, and to find the certainty that we never walk alone. God came down at Christmas and He has not left His world and His children in it all alone. This is what we need to remember again at the Christmas season.

Christmas is for everyone. It is the one universal hope for all mankind. The angel said, "I bring tidings of great joy, which shall be to all people." The message drew no boundary lines between nations. It erected no barriers between people. It made all people everywhere irrevocably members of the same family. Only when the message and the meaning of Christmas in all its fullness reaches the heart of all God's children will the story that began on the hills outside Bethlehem find its conclusion.

Christmas belongs to everyone. And we can reverse the wording and still maintain the truth when we say, everyone belongs to Christmas.

So the person who thinks that Christmas is only for children has lost many things. They have lost the ability to wonder. They have missed the opportunity of sharing the most joyful day of the year. And they must think that they have resigned from the human race. For as the message of the angel was "to all people," so Christmas is for everyone.

Johnny built a snowman! From white, cold snow he made it. It was hard work, and Johnny was justly proud.

Johnny built a snowman—in a day! He packed the snow hard, put in coals for the eyes and nose, and Daddy's hat was placed on top.

But far more of Daddy than just his hat went into this snowman. Just as Johnny worked hard to build the snowman, his father is hard at work too . . . building Johnny. Daddy's greatest dream is to see Johnny moulded into a man of strength, vision, and character.

Luckily for Johnny, Daddy is a wise father. He realizes that the most important single influence upon his son's life is the teaching of Christ. Daddy will see to it that his son receives that teaching by sending him to Church services regularly. In making certain that Johnny knows the beauty of God's words, father will see his greatest dream come true.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Man Is Run Down By Bear On Motorcycle; Woman Is Hit By Moving Tree; All In 1960

By PAUL JONES  
National Safety Council

So the big news of the year was the presidential election? Or Cuba? Or the U. N. fracas? Well, not necessarily.

At least not to Walter Klausner. Nor to Robert Coon. Nor to Richard Siewertsen. Nor to Marie Rarrick or Richard Taylor.

For please be informed, friends, that —

Mr. Klausner was run down by a bear on a motorcycle.

Mr. Coon found a 60-foot boxcar in his basement.

Mr. Siewertsen was run over by a house.

**WEIRD, WACKY WONDERS**

Marie Rarrick's car was smacked by a moving tree.

And Mr. Taylor reached up and caught a baby flying through space as neatly as Mickey Mantle would reach up and catch a fly ball.

See now why the election and those other top stories had to share the headlines?

And the oddities listed were only a few of the weird and wacky wonders uncovered by the National Safety Council in its annual roundup of accidental absurdities.

The dizzy details:

The case of the Bumpious Bear occurred in Miami Beach, Fla., where a big furry showoff was grandly riding a motorcycle around a ring in the Ringling Bros., Barnum & Bailey circus. Giddy with pride, he lost control, veered into trainer Walter Klausner, sent him to the hospital with leg injuries. The bungling bruin barely managed to retain his driver's license.

**BOXCAR IN BASEMENT**

It may be possible that someone reading this has never gone to his place of business in the morning and found a nice big 60-foot boxcar reposing in the basement. For him, Robert Coon, of Mason, Mich., has this tip: "You'll be surprised!" The boxcar that greeted Mr. Coon was one of 22 derailed in the heart of Mason. The other 21 were less resumptuous.

Practically the last thing in the world Richard Siewertsen, of Detroit, had planned to do one day last June was to be run over by a house. But he was. Riding atop the house as it was being moved down the street, Dick hopped off, tried to jump back on, missed — and the house ran over his foot. He is now a great believer in home safety.

When Marie Rarrick reported dutifully to Toledo, Ohio, police that a tree had swerved around a corner and rammed her car, the officers were understandably skeptical until she explained that the tree was on a cuty truck. Then they got down to the roots of the case.

**CATCHES FALLING BABY**

As Richard Taylor strolled back to his office from lunch in Seattle one day last April, he heard a baby cry and looked up to see 16-month-old Richard Hudson come sailing out of a third-story window. Taylor did what came naturally. He dashed over and caught the child just before the plunging boy hit the pavement. Young Ricky was unharmed. Taylor was shook up.

Every eager baton twirler tries to develop a speciality in his routine that will make him a stand out. Teen-ager Keith Hodges did just that during a parade in Santa Barbara, Calif., when his glistening baton, flipped exultantly high in the air, encountered a wind gust, took off and conked the Hon. Edmund G. Brown, governor of the sovereign state of California, smack on the head. Keith felt worse than the governor did.

As an employee of an automobile concern, Jerry McMahon, of San Francisco, naturally likes to hear his motor purr when he steps on the starter. But when it not only purred, but yowled, he turned it off, jumped from the car and raised 'em hood. An indignant and battered cat confronted him. She had crawled up under the hood to keep warm. She did.

**WERE "VERY EMBARRASSED"**

After many years and half a million miles of accident-free driving, salesman Reed E. Very, of Florissant, Mo., finally rammed his company car into the rear of another vehicle. It was his own car, driven by his wife, who had stopped suddenly at an intersection. Both husband and wife were very, very embarrassed.

Safety people are always warning drivers not to stop for a nip. But they couldn't blame motorist Don Ethridge, of Salem, Ore., when he did. Driving through Rawlins, Wyo., Mr. Ethridge prudently thrust out his arm to indicate a stop. A big dog bounded alongside, eyed Mr. Ethridge's dangling fingers and gave him a good nip — right on the hand.

In September last year Tony Atencio, of Egglewood, Colo., broke his jaw playing high school football. In December he broke it again playing basketball. In May he broke it again playing baseball. Anyone for chess?

**SLIPS ON SOUVENIR**

Patrolman Francis P. Sheehan, of the Lockport, N. Y., police force, slipped on a pencil at the head of the stairs, cascaded all the way down, and was taken to the Lockport Memorial Hospital with back injuries. The pencil that threw him was a souvenir — from the Lockport Memorial Hospital.

In the Harbor Inn restaurant in New York City a patron put a nickel in the juke box to hear "There'll Be a Hot Time in the Old Town Tonight." There was.

The juke box caught fire.

A Deer and a deer tangled on the highway near Columbus, Ind. One of the parties involved — Donald Deer, of Indianapolis — reported the accident to police and ruefully exhibited his damaged car. Police didn't get the name of the other deer — a big buck which dashed in front of Donald Deer's car — because he fled from the scene of the accident. Oh, dear.

**A BOUNCING BABY**

Anthony Scarrott, of Bath, England, is really a bouncing baby boy. The 22-month-old youngster tumbled out of his carriage, he bounced up, ambled into a coal chute, fell 11 feet into a cellar. He bounced up again, tottered toward the door, walked through, and plunged into the River Avon. The water wasn't hard enough for him to bounce, so he submitted to rescue by a neighbor. He suffered only minor bruises — and of course bounced right back to health.

Farmer Hubert Sowers, of South Charleston, W. Va., went hunting, tripped and broke his ankle. Meanwhile, back at the farm, Mrs. Sowers whacked a figdity cow on the flank to make it stand still, broke her hand. They broadcast their misfortune, cast to cast.

In Fort Worth, Tex., A. C. Reid Jr., treated for a bump on the head, explained he had been waiting for an elevator in an office building and had opened the safety door to see if it was coming. It was.

In Red Bluff, Calif., Janet Thomas was shot by her horse, aided by a porcupine. Janet was riding the horse when the porcupine fell out of a tree. The horse

reared. As Janet fell, she dropped her rifle. The horse stepped on it, and Janet was shot in the leg. She now uses the family car.

When 2-year-old Ricky Bivins, of Evansville, Ind., decided to visit his grandmother down the street, he swiped the car keys from the kitchen table, seated himself on the floor of the family car, turned on the ignition and pushed on the accelerator. The car had been left in high gear. It bolted straight ahead. For 100 yards it stayed on the right side of the street. Then it veered across the road, sheared off a 20-foot telephone pole, roared straight ahead for two blocks on the busy street, rammed into a one-story frame house, bounced back, rammed again. Ricky was unhurt, but shaken. So were his parents, Mr. and Mrs. Everett Bivins. Item: A few days later Ricky cut himself while trying to shave with a razor with no blade in it. Any suggestions?

Mrs. James C. Tate, of Dallas, Tex., got a compact car the hard way. She ran her auto into a truck and another truck hit her from the rear.

The next time you ladies have trouble parking, take solace from the experience of Mrs. Rubie Johnson, of San Francisco. Attempting to park her car in a garage attached to her home, Mrs. J. hit the gas pedal instead of the brake. She crashed through the garage, rammed into the basement, tore out the rear wall, careened across the back yard, knocked down a fence, ruined the car — and gave the neighbors something to talk about for months.

When police of Port Credit, Ont., investigated the highway

## 26,000 Employees To Get Pay Hikes

PHILADELPHIA (AP) — Some 26,000 city employees will receive pay increases averaging \$250 a year beginning Jan. 1.

The increased were granted Wednesday by the Civil Service Commission shortly after City Council approved a record \$284,766,698 operating budget and raised real estate and wage taxes.

The budget was \$3,847,000 below the amount Democratic Mayor Richardson Dilworth had asked.

But the real estate tax hike, from \$2.06 to \$2.20 per \$100 of assessed valuation — was what the mayor had sought.

Council raised the wage tax from 1.5 per cent to 1.625 per cent. Dilworth had asked for 1.75 per cent.

accident of Harold Herbert, they found him as white as a ghost. His car had gone out of control and hit a culvert, tossing him out. The car trunk burst open. A can of white paint came flying out, and the lid came off. Mr. Herbert got a broken ankle and a real good paint job.

And in Albany, N. Y., John Frain decided to spend a quiet evening at home and avoid the heavy Labor Day holiday traffic. As he sat reading in his second-floor apartment, the floor collapsed. He fell to the first floor, broke a leg. Sometimes you just can't win!

Sure, there was a national election in 1960, and a lot of other big news.

But honestly, now, don't you think the items you have just read were a little newsy, too?

## LITTLE PEOPLE ARE MEETING IN LAS VEGAS

LAS VEGAS, Nev. (AP) — Little people can handle big jobs. That's the theme of a convention that by all odds is one of the zaniest this gambling resort has seen.

Bartenders, blackjack dealers and bellboys are baffled by the comings and goings of 300 men and women "no bigger'n a minute," as one said.

It's the first annual convention of the National Association of Little People of America.

"Our organization includes both midgets and dwarfs," said Bob Brower, 33, a Des Moines, Iowa, supermarket operator. "We prefer to be called little people."

**TALLEST IS 4-10**

And little they are. At 4-10, Bob is the tallest of a group that scales down to 2-11. That's hip-high to a middling man and a clean six inches above a conventional office desk. You'd never spot the littles chap behind a waste basket. Bob's wife, Marcella, a dancer, is 4-11.

Always keeping an eye out for the house, the Hacienda Hotel built ramps and steps for its pint-size guests at the dice tables and other games of chance.

The little people don't mind gagging it up. They posed with eight in a bed. They welcomed the platforms around the take-ye-money gadgets with which this gambling center abounds.

But with their laughs, the delegates are serious about some

## Harrisburg Area Hospital Planned

HARRISBURG (AP) — The planning group of a new \$6.6 million hospital for Harrisburg's mushrooming West Shore suburbs report it expects to go ahead with the project this month.

The chairman of the hospital planning committee said the federal government had approved a \$1.4 million grant toward the construction and bids will be advertised by Dec. 15.

The hospital, operated by the Roman Catholic Sisters of Christian Charity, should be ready for use by early 1963, added James Burcklacher. He said patients will be admitted without regard to religious denomination.

Over \$1.3 million was raised in a fund drive among Harrisburg area Catholics. The Nuns' order will supply another \$3 million, he said.

The 206-bed hospital will be built on a 25.7-acre tract in East Pennsboro Twp.

things. That's why they're here.

"We want to make the big people understand that little people think the same as they do," one delegate said. "And we want to show we can do a man-sized job as well as the next fellow. There are lots of things that don't require a 6-footer's reach."

What sort of jobs do they fill? Delegates include veterinarians, commercial artists, a lawyer, an industrial engineer, salesmen, wrestlers and entertainers — among other things.

What do the conventioners chat about? One of them shrugged. "It's just small talk," he said.

## NEW BLANKET OF SNOW HITS PENNSYLVANIA

By THE ASSOCIATED PRESS

A fresh blanket of snow fell over Western Pennsylvania Wednesday night and early Thursday, creating extremely dangerous driving conditions.

The crash of two cars and a Greyhound bus north of Washington was blamed on the snow. The driver of one of the cars received minor injuries, but no one aboard the bus was hurt.

However, few accidents were reported. Police said very few vehicles were on the road during the night and early morning.

Overnight snowfall ranged from six inches at Erie to a trace elsewhere. Bradford got about four inches.

**CALL CINDER CREWS**

Cinder and salt crews were out all night in some sections. A number of back roads were snow covered, but main roads were cleaned off somewhat by traffic. Ice formed on some main roads.

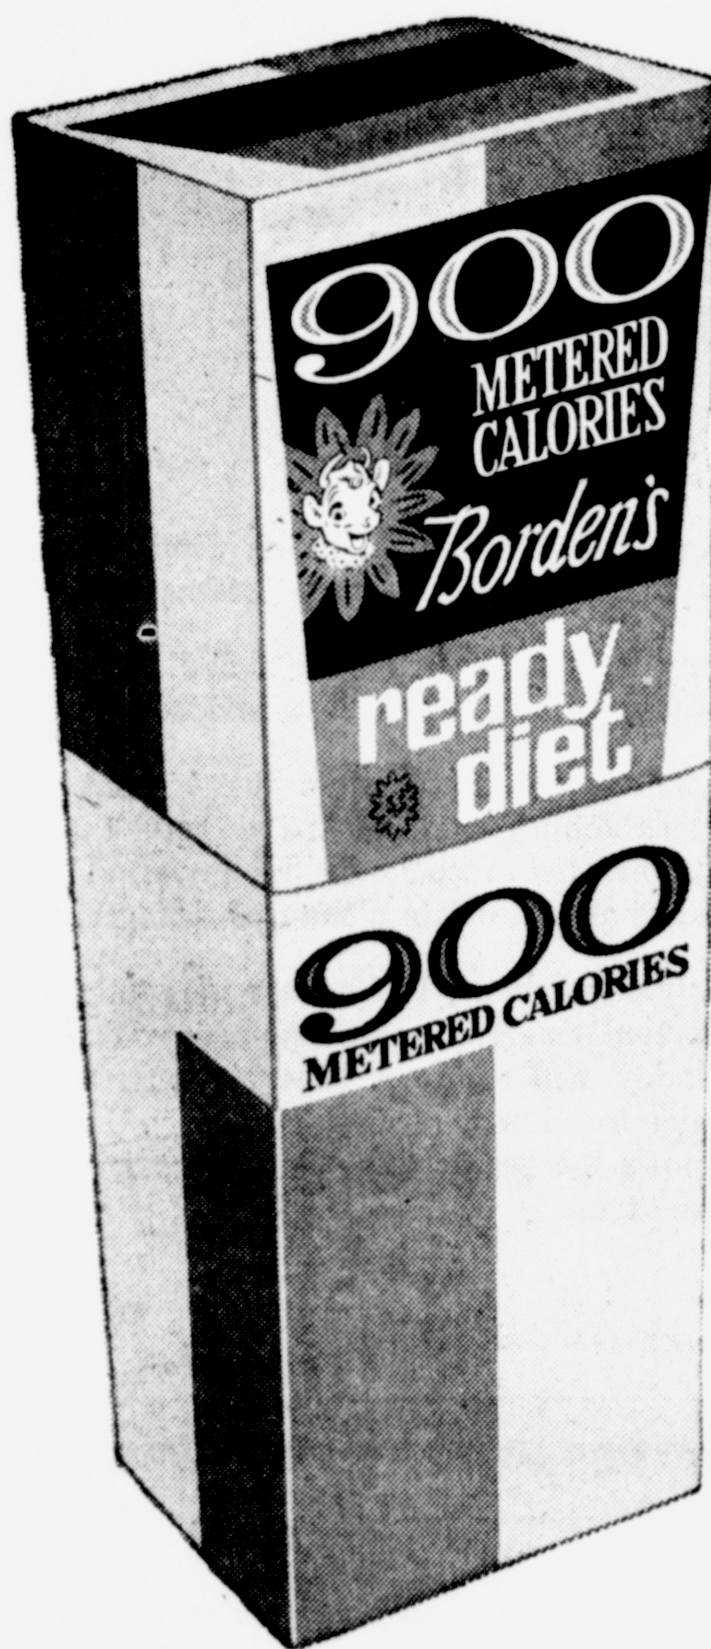

No snow fell in the eastern part of the state. Some spots in the central section got traces of snow.

Speed limits were reduced overnight on some stretches of the Pennsylvania Turnpike in the west. Only one skidding accident was reported on the super highway.

# U. N. ASSEMBLY TO TAKE RARE RECESS SOON

By TOM HOGE

UNITED NATIONS, N. Y. (AP)—The General Assembly is planning an unusual winter recess to await the views of the new Kennedy administration in Washington.

The assembly, still in sort of a state of shock since Soviet Premier Nikita Khrushchev's table-thumping antics at the start of this session, has not taken action on a single major issue in the past two months. It has given up hope of ending its business on the target date of Dec. 17.

Most delegates feel that the United States cannot make any hard decisions until Sen. John F. Kennedy takes over the presidency. They do not want the 99-nation assembly to reconvene before the middle of February.

## SOME HOPES HELD

Many hope that with a new U.S. president not bound by the commitments of the Eisenhower administration, the Soviet Union may take a more conciliatory position on its major conflicts with the United States.

So far the major accomplishments of the assembly have been the perennial decision to shelve Communist China's bid for membership and seat the Congo del-

## York Springs

MRS. F. E. COULSON

YORK SPRINGS — The Latimore WCTU regular meeting was held at the home of Mrs. Lloyd Decker Monday night. The worship theme was "Be Ye Thankful." The business session was in

regation backing President Joseph Kasavubu.

But other debates have so bogged down the schedule that night and Saturday meetings are set in the Trusteeship Committee and the assembly itself in a drive to clean up a bulging agenda of colonial issues before the recess in mid-December.

## TOUGH ONES AHEAD

Still coming up for discussion are acrimonious debates on Hungary and Tibet, and resolutions by the Soviet Union and Cuba accusing the United States of aggression.

Next week the Political Committee takes up the question of the Algerian rebels' six-year war for independence from France. It is likely to produce plenty of verbal fireworks, with the Soviets joining in hot and heavy against the French. The Political Committee has indicated it also plans to go on a double schedule then.

Right now the Political Committee is discussing disarmament, a question on which its members would like to hear the views of the Kennedy administration. Most delegates want to avoid voting on rival proposals at this stage.

charge of the president, Mrs. Calvin Lear. All members present signed get well and sympathy cards. Refreshments were served after the meeting.

Mr. and Mrs. Anson Miller, Mr. and Mrs. Gary Miller, of York Springs; Francis Miller, of Biglerville R. D., and Daun Miller, of Gettysburg R. 4, motored to Bedford County Tuesday to attend the funeral of Mrs. Anson's stepmother, Mrs. Rebecca D. Miller, 72. During the 1959 apple processing season Mrs. Miller worked in the C. H. Musselman plant at Gardners and lived with the Anson Miller family during that time. Gary and Daun Miller were two of six grandsons who served as pallbearers.

Mr. and Mrs. Clarence Cline spent the Thanksgiving holidays in Staten Island, N. Y., with their son and daughter-in-law, Mr. and Mrs. Clarence Cline Jr., and family.

William Coulson returned to Anderson College, Anderson, Ind., Sunday after spending the Thanksgiving holidays with his parents, Mr. and Mrs. Elmer Coulson. He was accompanied to York Springs by students Bud Jones of New Jersey and Mariys Ellen Schutler of Hickory, N. C. Mr. Jones' parents, who met them at the Coulson home, took them home for the holidays.

Esther Harbold returned to West Chester State College after spending the Thanksgiving holidays at her home.

FT. MONMOUTH, N.J. (AP)—The astro observation center of the U.S. Army Signal Corps laboratory here picked up the signals from the latest Soviet-launched satellite at 8:16 a.m. Thursday.
